

**Christine Estep**

**NEA RA Delegate**

**Statement:**

I joined the HEA in 1994 and began actively participating as a building representative in 2014. Since then, I have become increasingly involved. I am currently the membership chair on the executive board and it is my goal to get more people committed to and excited about our union. Last year I was able to go to the NEA RA and learned so much and I would like to opportunity to attend again. I have the passion, drive, and energy needed to be a delegate at the NEA Representative Assembly. I would be honored to be chosen as a delegate.
