

Statement supporting candidacy for Elizabeth Nahl, 87 words:

As a past NEA Director and long time local leader, I am a strong voice for educators and students. As a NEA RA Delegate I will help newer delegates understand the process and promote Oregon's agenda. I will continue to work tirelessly on your behalf toward solutions on issues like ending toxic testing, school funding, and class size. I understand today's issues and am not afraid to address them. I ask for your support so that I may continue to serve you as an NEA RA Delegate.
