including 504 and ELL students, placed in regular classrooms. Adequate resources will be provided to the classroom teacher for the needs of the special students.

#### H. WORK SAMPLES

The District intends to require no more than the total number of work samples required by the State Board of Education, but the kind of work samples and the grade level when produced and scored may vary from the State Board requirements if waivers are obtained.

#### I. EXTENDED HOURS FOR ASSESSMENT AND STANDARDS IMPLEMENTATION

Members may, on a voluntary basis, apply for extended contract hours at the curriculum rate to perform tasks such as student assessments, collaboration and integration of new standards. For 2015-16, elementary members may apply for up to six (6) hours. Beginning in 2016-17, elementary members may apply for up to eight (8) hours. For 2015-16, secondary members may apply for up to twelve (12) hours. Beginning in 2016-17, secondary members may apply for up to eight (8) hours assuming a Finals Week schedule is utilized. In the absence of such a schedule secondary members shall continue to be eligible for up to twelve (12) hours.
