

Trauma Informed Practice

Presenters: Leah Starkovich, OEA Center for Great Public Schools

When: Thursday, April 30, 2020, 4:30-6:30pm

Where**: OEA UniServ Office
8900 NE Walker Rd, Suite 125
Hillsboro, OR 97006

Trauma-sensitive schools are grounded in a set of core principles that inform everyday school operations. Schools invested in taking a trauma-sensitive approach understand the interrelated nature of emotional and physical health and academic success and the need to view students holistically and build skills in all areas. During the session, teachers will identify specific strategies that they can use to reduce trauma-related triggers in the classroom environment, as well as ways to lead their schools to become trauma sensitive for all.

Register Today at www.heaoea.org
