

**EDUCATOR
ADVANCEMENT
COUNCIL**

Oregon Statewide Educator Survey

**DESIGNED BY
EDUCATORS
FOR EDUCATORS.**

**Now a
15 minute
survey!**

**FEBRUARY 15-
MARCH 3, 2023**

Who?

School-based,
licensed educators
in Oregon

What?

An online, anonymous survey
on teaching conditions & school
environment (formerly known as
the TELL)

Why?

Your experience matters. The survey offers educators an opportunity to provide input on teaching conditions that can be used to inform state, district and school improvements. Participation helps determine whether educators have the resources and supports necessary to provide the most effective teaching and learning environment for students.

This year, educator participation also helps inform a multi-year survey redesign project to improve data collection and reporting to be responsive to local and regional needs.
