

Hillsboro Education Association Presents

A Lens on Our Practice: Setting Student Learning and Growth Goals

Take a look at your practice through the lens of setting
Student Learning and Growth Goals (SLGGs)

Dive into the practice of setting growth goals with student data analysis and growth target practice, and learn how goals will be connected in Oregon educator evaluations through the Oregon Matrix. OEA's Center for Great Public Schools will present this topic on:

October 3, 2016

4:00 – 6:00 p.m.

OEA-HEA Office

**20450 NW Amberwood Dr., Ste. 125
Beaverton, OR 97006**

This presentation will be two (2) hours and will include time to work on your goals with colleagues. Participants are asked to bring their data and drafted goals, if you have them, as well as an electronic device to access online resources.

PDU's will be made available
