

OEA Leadership Learning Opportunities Spring 2021

Join OEA members leaders of all levels of experience from across the state for an ongoing series of leadership learning opportunities. All courses are hosted on Zoom on Wednesdays from 4:30-5:30 pm

- Mar 31** **The Power of First Impressions:** Learn best practices in engaging with members for the first time, and hone skills for presenting or leading a meeting in front a group.
- Apr 14** **Internal Relational Organizing:** Understand the process of relationship building and its role in organizing and mobilizing members to take action.
- Apr 28** **Identifying Organizing Issues:** Members aren't apathetic! Learn how to ask the right questions, test to see if an issue is widely felt, deeply felt and winnable, and take action in a meaningful way.
- May 12** **Conflict Styles and Conflict Resolution:** Identify how you behave during conflict and recognize conflict styles in others. Use this knowledge to analyze and understand conflict resolution strategies.
- May 26** **Listening, Asking Questions, and the Collaborative Approach to Problem Solving:** An experienced leader knows how to listen deeply, asks open-ended questions, and uses problem solving strategies that insure all voices are heard.
- June 2** **Becoming an Anti-Racist Educator:** Learn actionable strategies to stand up for your students and colleagues, and advocate for equitable outcomes for all!
