

WINTER RECHARGE

for New and
Aspiring Educators

WELCOME NEW EDUCATORS!

Join us at **OEA's New and Aspiring Educator Winter Recharge Retreat** - find connection with early career educators and aspiring educators through networking, fun, and professional learning. This event is intended for OEA members who are Aspiring Educators (students moving into the profession) and educators in their first five years of the profession (whether education is your first, second or third career!)

Enjoy a rejuvenating weekend in Newport, Oregon — learning about your state and local union and engaging in professional practice topics like building a safe, welcoming and inclusive school, racial and social justice, and promoting adult health and wellness. There will also be time for participants to meet in affinity groups and job-alike groups.

Questions? Contact us at eventsupport@oregoned.org. We will see you at the beach!
